

*Our ground level music panels are ADA accessible activities - anyone can join in the fun!*

## Forte GROUND-LEVEL

### Features and Benefits

- More than a playground noise-maker, the Forte is a concert-quality metallophone with 15 notes that will inspire the budding musical protégé in everyone
- Playful, colorful design elevates the look of your space and invites children to play
- The color-coded chimes range as follows from longest to shortest: G|A|B|C|D|E|F|G|A|B|C|D|E|F|G and are playable from both sides
- Includes 4 Hybrid Mallets, Gray 90A
- Timbre: Bright, Clear, Sustaining
- HDPE elements are available in our standard 2-color options to coordinate with your play space
