

The Parallax - Ascent has the appearance of a spacecraft come to Earth!

Encircled by alternating Lunar Climbers (long) and 4' climbers leading to the Launch Pad, the Ascent also offers a single Resonance climber for more direct access to the Command Station. The turbine-like Hex Stalk Topper provides a dramatic cap for this compact tower. Make the ascent and reach for the top!

Ages: 5-12
Fall Height: 8'
Capacity: 40-50
ASTM Use Zone: 30'-5"
