

Inspired by the energy of a ninja course, this warped-wall-style feature dares kids to run, climb, and conquer. Its steep curve, textured PlayTrax surface, and built-in handholds make it a centerpiece for action-focused designs. Whether kids are sprinting up the base or scrambling to grab a handhold at the top, the Ascender delivers high-intensity, big-reward play in a single, space-saving structure.

Ages: 5-12

Deck Height: Only available at 8'

Compatibility: SuperMax

FEATURES AND BENEFITS

- The steep, curved design invites kids to test their limits and develop strength
- The textured climbing surface and strategically placed handholds provide grip and confidence
- Bold focal point that elevates the play space in a small footprint
