

Unlock the wonders of the insect world with the Wildlife Totem!

Brimming with tactile and interactive elements, the Wildlife Totem offers a captivating and visually stimulating array of activities. It includes a polycarbonate viewing glass for observing various creatures, a tactile spinning sun, roller ball frog eyes, reflective clouds, and sliding bug counters. Slide the bee counters up the panel to play the beehive counter-drop game on the reverse side. Peer through the polycarbonate window to see a busy bee in action, then spin the flower heads and watch the bee's mirrored wings sparkle!
