

We took what kids loved about a traditional Wobble Bridge (that playful sway) and upgraded it with simpler install, sleeker aesthetics, and more deck-to-deck flexibility. Made with our ultra-durable PlayTrax material, this suspended bridge creates a bouncy, shifting path that's just the right kind of tricky, giving kids the thrill of instability with the grip and control they need to succeed.

Ages: 5-12

Compatibility: SuperMax & DuraMax

Available Lengths

SuperMax: 1-Deck and 2-Deck Spans - 48" (72250) & 96" (72251)
