

Climb and reach the top of the Summit Climber and reach the highest point of happiness!

Sensory play is crucial to every child's development and growth. The Summit Climber provides a proprioceptive sensory experience that lets us know where our body parts are, how we position ourselves and how to plan our movements.

FEATURES AND BENEFITS

- Aids development of good communication skills
- Improves team-building, social skills, and body perception
- Increases physical strength, balance, and coordination
