

This freestanding metal climber most likely derived its name from the language that conjures up arched tree branches. The triple ring, multiple-level design beacons multiple users, and allows adequate space for rest as children navigate their way to the top.

Ages: 5-12

Space Required: 14'3" x 14'6"

#### FEATURES AND BENEFITS

- Enhances arm and leg coordination and body management skills
- Arched rung design invites climbing from different sides of the apparatus
- Offers a sense of challenge and chance for kids to socialize

#### METAL COLORS

#### WHOLE CHILD BENEFITS
