Product Information

The PlayAbilities Sensory Summit Serpentine Level 1 is a climber-only package that offers a unique climbing experience for children of all abilities. The climber features a wide basin with defined grips to allow children with limited use of their legs to participate in a climbing activity. The Sensory Summit Serpentine climber and sensory packages are purchased independently of each other. One sensory package can be purchased for each climber.

Terms & Conditions
TO THE EXTENT PERMITTED BY LAW, THESE WARRANTIES ARE EXPRESSLY IN LIEU OF ANY OTHER IMPLIED OR EXPRESSED WARRANTIES OR REPRESENTATIONS BY ANY PERSON, INCLUDING AN IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS. WARRANTIES DO NOT COVER DAMAGE CAUSED BY VANDALISM OR ABUSE. WARRANTY CLAIMS MUST BE FILED WITHIN THE APPLICABLE WARRANTY PERIOD AND ACCOMPANYED BY A COPY OF THE ORIGINAL TAX BILL OR PLAY & PARK STRUCTURES INVOICE NUMBER.

Play & Park Policies
Specifications: Specifications were current at the time of publication. Play & Park SKY can make ongoing policy of product improvement and therefore will make modifications to this catalog without notice.

Terms of Sale: To governmental agencies and tax supported institutions, and those with approved credit, payment is due within 30 days from the date of invoice. A 1.5% per month finance charge will be imposed on all past due accounts. We also accept payment by Visa, MasterCard, or American Express. All orders will require a 50% deposit at the time of order. The balance due shall be paid with a certified check upon receipt of shipment (C.O.D.).

Prices: Prices are F.O.B. factory and do not include freight charges. All prices listed were current at the time of publication and quoted in U.S. Funds. Due to the abnormally high cost of fuel and its impact on many of the materials used in our industry, quotations are valid for 30 days only and prices may be subject to material and fuel surcharges at the time of shipment. Changes are subject to change without notice. Current prices will apply at the time of shipment.

Freight charges: Freight charges are determined and collected by the carrier unless Play & Park Structures is requested and agrees to prepay and add these cost to the invoice.

Taxes: If applicable, taxes will be added to the invoice except when a tax-exempt certificate is provided with the purchase order at the time of order entry.

Minimum Order: Our minimum order is US $50.00.

Order Cancellation: Once accepted, orders can be canceled only with the consent of Play & Park Structures, and on terms which will indemnify Play & Park Structures against loss. Cancelled orders will be subject to a restocking fee. Equipment “built-to-order” is non-cancellable.

Domestic Shipments: Unless specifically given routing instructions on the purchase order, shipment will be made via the carrier we consider to be the most economical and practical in reaching the final destination. All domestic shipments are governed by ICC Regulations.

Delays in Transit: Play & Park Structures is not responsible for delays in transit and such delays shall not affect our invoicing terms. If your order does not reach you within a reasonable time after being advised that shipment went forward from our plant, Play & Park Structures will assist in the tracking process.

Loss or Damage in Transit: Play & Park Structures is not responsible for loss or damage in transit. When you receive the material to the carrier, a bill of lading is signed which states that the shipment was received from us complete and in good condition. A copy of this bill of lading is forwarded to you with the shipment and should be checked carefully with the materials you received. Any shortage, discrepancy or damage must be noted on the delivery receipt and signed by the carrier’s representative. Failure to note acceptations on the delivery receipt may impair your right to recovery from the carrier.

Weights: All published weights are estimated and include appropriate packing materials. Actual weights may vary slightly.

ISO 14001
We are proud to be ISO 14001 certified for our manufacturing facility in Fort Payne, Alabama. Also referred to as the “Green Certification,” ISO 14001 is an internationally recognized standard for environmental management, measurement, evaluation and auditing. As an ISO 14001 certified company, Play & Park controls the environmental impact of our activities, products and services by implementing Environmental Management System (EMS) that meets international standards, but is specific to the play products being produced.

ISO 9001
An industry certification process issued by the International Organization for Standardization. It is used to measure manufacturing standards and to certify company compliance with quality control systems covering design, development, production, installation, inspection and testing.

DOJ 2010 Standard for Accessible Design
Access Board (The United States Architectural and Transportation Barriers Compliance Board) has coordinated the Accessibility Guidelines for Play Facilities as set forth in the American with Disabilities Act of 1990. The final rules, fact sheets and analysis are all available at the Department of Justice.

PARTNERSHIP STANDARDS & ORGANIZATIONS
CPSC
The Consumer Product Safety Commission is an independent agency within the United States Federal Government with the authority to inform the public of current product safety information and recommended practices. The CPSC published the guidelines for playgrounds in 1981 and have updated their publication several times since. The current CPSC Handbook for Public Playground Safety, publication #225, is the excellent guide for playground operators of public playground environments.

ASTM
ASTM International is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM F15 Southern Certification is regularly met for over a decade in the continual development of the F487 Standard Consumer Performance Specifications for Playground Equipment for Public Use. Throughout this catalog we state ASTM F487 Standard Consumer Performance Specifications for Playground Equipment for Public Use, which are minimum dimensions.

544 Chestnut Street, Chattanooga, TN 37402

Consideration should be given to the number of users and their circulation pattern.

In the interest of public playground safety, the International Playground Equipment Manufacturer’s Association (IPEMA) provides the Third Party Certification Service whereby a designated independent laboratory, TUV America, Inc., validates an equipment manufacturer’s certification of conformance to ASTM F1487, Standard Consumer Performance Specifications for Playground Equipment for Public Use, except sections 7.1, 10.9.1.2 and 11.2 in CAN/CSA 2014. Children’s Playspaces and Equipment, except clauses 9.8, 10.9.1, or 11.2. The use of corresponding logo in Play & Park Structures’ catalog signifies that Play & Park Structures has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms to the requirements of the indicated standard. Check the IPEMA website, www.ipema.org, to confirm product validation.

CSA
A large portion of Play & Park Structures equipment meets CSA standards, but please request structures, components or freestanding items that specifically meet that need if required.

Services
Flexible Financing Program
Through a strategic alliance with Navitas Corporation®, Play & Park is able to provide flexible financing for customers who require funding assistance on their next playground project. Complete our financing request form online at playandpark.com and bring play opportunities to your school or community more quickly.

National Demonstration Site
Learn more about becoming a national demonstration site for inclusive playgrounds, focus focused play, a NatureGrounds® play space, or for physically active play.
